14 CONTEMPORARY

COLOURS

THAT DON'T FENCE YOU IN

The strength of a BlueScope Steel warranty

Fencing made from COLORBOND® steel has the strength of being backed by our 10 year warranty,* giving you peace of mind. With 14 contemporary colours to choose from in the fencing range, COLORBOND® steel gives you more choice than ever before.

The COLORBOND® steel difference

Beware of imitations. This simple checklist demonstrates the superior performance of COLORBOND® steel.

- Unique Australian paint system developed specifically for Australian conditions
- Fencing infill sheets are manufactured from a corrosion-resistant base of ZINCALUME® steel
- Meets Australian standards (AS1397 and AS2728). Guarantees coating mass and paint film thickness

- Proven track record
- Wide colour range
- BlueScope Steel's in-field support
- Design versatility

30 years intensive weather-testing

BlueScope Steel has special long-term weather testing sites for COLORBOND® steel located right around Australia.

Technical assistance and specialist advice

BlueScope Steel offers world class technical assistance. We have an extensive range of technical bulletins and brochures to assist in the design, erection and maintenance of fencing made from COLORBOND® steel.
